MOAA Uniformed Services Nurse Advocates Virtual Chapter

"NEVER STOP SERVING"

Stay Informed

Increased awareness and having input on Legislative policies and initiatives help protect our health care for active duty, wounded warriors, surviving family members, and retired service members.

Focus on What We Do Best

A major part of the focus of the chapter is, of course, advocacy. To that end, we have all members sign up for the MOAA Legislative Action Center notices. We just ask that you look for these calls to action and respond to support them. This is particularly true for issues involving health care.

MUSNAVC is the first Virtual Chapter for MOAA

Membership

All members must have served or be currently serving as a Nurse in one of the U.S. Uniformed Services (Army, Navy, Air Force, or USPHS) and be a member of National MOAA. There are NO dues or fees associated with MUSNAVC membership.

Our members have extensive experience in the clinical, research, education, and leadership aspects of civilian and Uniformed Service nursing, past and present. The sharing of experiences and expertise is most gratifying and productive.

Meetings

Held on the 3rd Wednesday of the month at 7:45 pm (eastern) via Zoom.

Guest Speakers

Outstanding speakers on current topics of interest on Legislative, Health Care, Veterans and Military issues from across the Nation which would be difficult to get locally.
